

RESIDENTIAL PLANNED MAINTENANCE AGREEMENTS

EFFICIENCY, RELIABILITY AND SAFETY

As a planned maintenance customer, you will be entitled to **priority service**, a **10% discount*** on parts and services, **10% discount on replacement equipment, no overtime charges** (in the event we are needed on a night or weekend), **annual savings** on energy consumption, and **peace of mind!**

Option #1

This plan is a one-time visit for the furnace or air conditioner.

Gas, electric, propane, boiler	\$ 99.00
Air conditioner or heat pump	\$ 99.00
Fuel oil furnace	\$ 114.00

Option #2

This plan includes a visit in the heating season for the furnace service and a visit in the cooling season for the air conditioner service.

Air handler & Heat Pump	\$ 179.00
Gas, electric, propane, (boiler) with air conditioning	\$ 179.00
Fuel oil furnace with air conditioning	\$ 189.00
Furnace with add on heat pump system	\$ 209.00
Oil Furnace with add on heat pump	\$ 219.00

Note that these services do not include materials. Filters and additional parts will be invoiced separately. Ferry fees will apply to those living on the islands (split if scheduling permits).

Please choose an option that best fits your needs. Fill out the information section at the bottom of the accompanying sheet and detach. Remit to Bayside Comfort, Inc. with payment to begin your full year of services and benefits. Feel free to contact our Service Manager at 800-589-3366, for any questions or comments.

*Diagnostic charge is not subject to discount.

*Agreements are transferable, but non-refundable
